OVERVIEW

Welcome to UT OLLI!

On-campus curriculum will be provided by 4 different programs on their respective day throughout the week.

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
SAGE	DISCOVER	NOVA	ON-LINE	FORUM

In addition to on-campus exclusive seminars and lectures for each program, this 2022-2023 program year also introduces a Thursday online class for each program. It can be attended by UT OLLI members remotely online. Links to online classes will be emailed to members each week and will be available on the website.

In-Person on Tuesdays with UT OLLI DISCOVER

	Option 1	Option 2
10:00AM – 11:15AM	Aspects of Aging	Lecture Series #1
11:30AM – 12:45PM	Harnessing the Wind: Americas Golden Age of Sail	Lecture Series #2
1:45PM – 3:00PM	Hot Topics in Science and Technology	Once Upon a Time in Hollywood

UT OLLI DISCOVER Fall 2022 — In-Person Seminars

10:00 AM - 11:15 AM

Aspects of Aging

Aging is a most democratic human condition. Its main characteristics are physical and mental decline, and a shrinking future. The vast majority of people strenuously struggle to avoid the one remedy that finally ends the effects of aging.

Director(s)

Marshall H. Missner - *Speaker at all Events*

Marshall Missner, Ph.D., is a professor emeritus from the University of Wisconsin-Oshkosh, where he taught philosophy for 38 years.

Events

10/04/2022	The Biology of Aging.
10/11/2022	Aging and Comedy and Tragedy
10/18/2022	Are Things Getting Better or Worse?
10/25/2022	Emotions that look to the past— Regret and Gratitude.
11/01/2022	The Ethics of Assisted Suicide
11/08/2022	Is Learning the Greatest Pleasure?

11:30 AM - 12:45 PM

Harnessing the Wind: Americas Golden Age of Sail

Sailing ships of the early 1800s opened world travel to the common man. We will explore topics like life aboard a sailing ship and how sailing gave way to steam.

Director(s)

Todd Clayton - *Speaker at all Events*

Todd is a popular speaker for the UT OLLI program. Over the past six years he has presented several maritime history seminars to UT OLLI programs. In 2018, he received FORUM's Encore Award, presented to speakers who have taught 3 or more, six-week FORUM seminars.

Events

10/04/2022	The Golden Age of Sail: American Whaling
10/11/2022	The Golden Age of Sail: The Tragedy of the Essex (1820)
10/18/2022	The Golden Age of Sail: The US Exploring Expedition (1838-1842)
10/25/2022	The Golden Age of Sail: The US Exploring Expedition
11/01/2022	Joshua Slocum and his historic single-handed sailing voyage around the world
11/08/2022	The Golden Age of Sail: The Golden Age of Sail today

01:45 PM - 03:00 PM

Hot Topics in Science and Technology

Hot Topics is an information sharing activity built around selected significant activities in science and the world. Hot Topics provides participants with an interactive discussion format designed to promote an exchange of ideas in small groups. Each session begins with a stimulating presentation which is the basis for discussion. Enrollment is limited to 48. Given the close proximity and interactive nature of the seminar, COVID Masking is expected.

Director(s)

John Theiss - *Speaker at all Events*

John retired from the TX Dept of Mental Health & Mental Retardation. His interest is public service delivery system design. Since retirement he has focused his efforts on public policy related to diversity, justice and human relations.

Events

10/04/2022	The Pros and Cons of Biological Engineering
10/11/2022	Should Humanity Seed the Universe?
10/18/2022	Climate Solutions
10/25/2022	What Does a Healthy Economy Look Like?
11/01/2022	Can AI Save Humanity?
11/08/2022	A Future for Democracy

01:45 PM - 03:00 PM

Once Upon a Time in Hollywood

Follow the evolution of film in the United States and look at how much has changed in movies and the way we watch them.

Director(s)

Lesley Willard - *Speaker at all Events*

Dr. Lesley Willard is a lecturer in the Department of Radio-Television-Film and the Program Director of the Center for Entertainment and Media Industries (CEMI) here at UT Austin. Currently, she is leading a multi-year research project to track and improve internship programs in media/tech industry.

Events

UT OLLI DISCOVER Fall 2022 — In-Person Lectures

10:00 AM - 11:15 PM Lecture Series #1

10/04/2022	<p>What in the World is EWOPTX and Why is it so Important to Texas Women?</p> <p>Since 1980, the number of women in US prisons has grown by over 700%. Texas ranks in the top 10 among states with the highest female incarceration rate. EWOP goes into prison & helps women create a "fresh start" for themselves & their families thru leadership, mentorship, & entrepreneurial training.</p> <p style="text-align: center;">---</p> <p>Pam Thomure is Executive Director of EWOPTX and has over 25 years as a nonprofit leader with a history of creating excellence and profitability for a number of diverse organizations, including Empowering Women Out of Prison.</p>	 <p>Pam Thomure</p>
10/11/2022	<p>Picturing Texas Politics</p> <p>A discussion of the history of Texas Politics as seen in photographs. Presentation will include photographs and biographical facts and stories from the founding of Texas to present day.</p> <p style="text-align: center;">---</p> <p>Born in Ft. Worth, Tx. and educated at TCU and Texas Tech with a B.A. degree in History. He received his JD from the University of Houston College of Law in 1974.</p>	 <p>Stephen Hummel</p>

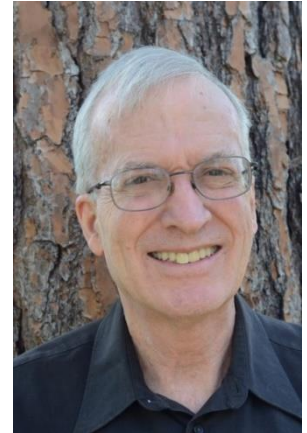

<p>10/18/2022</p>	<p>The ABCs of Birding</p> <p>Have you thought it would be fun to take up birding? Have you wondered: how do I get started? What about binoculars? Where are good birding locales around Austin? What birds can I see in my urban neighborhood? What are good on-line resources? During this lecture, we'll cover these topics and more.</p> <p style="text-align: center;">---</p> <p>Terry Banks has been birding for about 20 years and is a member of Travis Audubon, Austin's local birding and conservation club. She has become a Master Birder and volunteers on the Field Trip and Youth Birding Committees. She loves to lead birding field trips, especially to state parks.</p>	 <p>Terry Banks</p>
<p>10/25/2022</p>	<p>Looking "Back": The Evolution of the Human Spine</p> <p>In this talk, Dr. Shapiro will review the anatomy and evolutionary history of the human spine, and show how primate comparative anatomy can help us understand what is unique and what is not about our upright posture and bipedal locomotion.</p> <p style="text-align: center;">---</p> <p>Dr. Liza Shapiro has been a professor in UT's Department of Anthropology since 1990. Her research interests include the comparative anatomy, functional morphology, and evolution of primate locomotor adaptations.</p>	 <p>Liza J Shapiro</p>
<p>11/01/2022</p>	<p>"Becoming Indian"</p> <p>In <i>Becoming Indian</i>, Circe Sturm explores racial shifters, people who, while looking for their roots have recently discovered their Native American ancestry. She examines how and why people find meaning in rediscovering "Indianness."</p> <p style="text-align: center;">---</p> <p>Associate Professor, UT Department of Anthropology: research interests include Race, sovereignty, and citizenship; comparative colonialisms in North, Central and South America; Sicilian family relationships, especially among women.</p>	 <p>Circe Sturm</p>

11/08/2022

A Lecture-Recital of French Piano Music

This presentation will concentrate on three great French composers: Jean-Philippe Rameau (1683-1764), Gabriel Faure' (1845-1924) and Claude Debussy (1862-1918).

Dr. Timothy Woolsey holds the Master of Music in Piano Performance and Doctor of Musical Arts in Piano Performance from the University of Texas. He taught at Texas State University from 1975 - 2008. He has presented well over 100 performances and masterclasses, nationally and internationally.

Timothy D. Woolsey

UT OLLI DISCOVER Fall 2022 — In-Person Lectures (Cont.)

11:30 AM - 12:45 PM Lecture Series #2

<p>10/04/2022</p>	<p>The Forensic Anthropology Center at Texas State University: Research and Willed Body</p> <p>This talk will focus on the Forensic Anthropology Center at Texas State (FACTS), the history of the center, the associated willed body donation program and outdoor decomposition facility, history, as well as research being conducted at the Hill Country Location.</p> <p style="text-align: center;">---</p> <p>Emma Giacomello is a doctoral student in the Applied Anthropology program at Texas State University. Her research focuses on decomposition rates and postmortem interval estimation. Her current job duties include managing the daily operations at the Forensic Anthropology Research Facility.</p>	 <p>Emma Giacomello</p>
<p>10/11/2022</p>	<p>Austin PBS - The Next 60 Years</p> <p>Moving Forward is an ambitious and transformational effort to create a new generation of public media with greater community impact. At the center of this bold plan is the building of Austin PBS's new home. Moving Forward: New Home, New Content, New Possibilities.</p> <p style="text-align: center;">---</p> <p>Luis Patiño's areas of expertise include long-lasting community initiatives in the areas of civic engagement, entrepreneurship, higher education, and youth sports. Patiño has always had a passion for the community, serving on the boards of The Long Center, Mexic-Arte Museum & Austin's PBS Board.</p>	 <p>Luis Patiño</p>
